

## *Fear Inventory Prayer*

*God:*

*Thank you for helping me be honest enough to see the truth about myself. Thank you for showing me my fears. Now that you have shown me my fears, please remove them from me.*

*Help me outgrow my root fears; the fears which have haunted me and blocked me from doing thy bidding. Direct my attention to what you would have me be and help me become that which you would have me be. Demonstrate through me and help me do thy will always.*

*Amen*
