July 5, 2010

Dear Region V Assembly,

Our Region financial position remains strong – *total available cash at the end of June was \$31,711.81*. With such a strong position, I will make our Region's annual contribution to World Service Office (\$8000.00) in July. Our Region credit card bill continues to be paid in full each month.

I remain humbled by the generosity of the Region 5 Fellowship - *7th Tradition contributions since November 1, 2009 total \$12,792.43*. All contributions received through June 28 have been deposited. Please let me know if you see any discrepancies on the list.

Since March, I have completed updating the Treasurer Manual, and I sent our 2009 financial records and reports to our Accountant for tax preparation. I have not conducted any Service & Tradition workshops, although I am available for this.

Chris Bruzzini, past Vice-Chair, and I continue to answer the calls on our Region V toll-free number. From my experience, *the primary reason for calls continues to be invalid contact information listed for the group*. I am referring callers to the local Intergroup office or to the Region Representatives for that Intergroup.

As a reminder, all Intergroups can obtain *funding assistance* to attend Region Assembly if necessary. The guidelines and assistance form are available online under the "7th Tradition/Treasurer" tab on the Region V website; copies are provided at Assembly. *Group Contribution forms* with the updated PO Box are also provided at Assembly.

Thank you again for allowing me to serve Region 5!

In recovery,

Denise Oberholtzer
Region 5 Treasurer
