

Proposed Policy & Procedure Manual Motion

Submitted by: _____

Add new language P&P Manual Section I, G.11 (page C-4) – Committees

11. The Executive Board may appoint an officer to be a Board Liaison to any standing or special committee.

Rationale for change: As Region Representatives' terms of service end, we seem to frequently change our Committee Chairs. To provide some consistency and direction, an Officer may be assigned as a 'liaison' to the Board for that Committee. Duties of the liaison will be outlined in another motion.

Cost to implement: Nominal – update to P&P Manual
