

## Vice-Chair Report – July 2019

I'm looking forward to the coming summer assembly and hearing what everyone has been doing since the spring. The Vice-Chair doesn't have a great deal of responsibilities between assemblies, so there isn't much to report from that standpoint. I am pleased with the work being done by the sub-committees of the Committee of the Whole.

I will not be standing for reelection as Vice-Chair this November. While I have enjoyed this service very much, I am called to a different service going forward. Please consider serving as Vice-Chair starting in November. You will get plenty of help and even greater rewards.

Respectfully submitted,

Steve Boime
