1) Give a brief account of your O. A. story: I came in to OA at 265lbs+, I'm not real sure because I wouldn't get on a scale at that size. I ate to be happy, sad, to have drama, to stop the voices (committee) in my head that kept telling me to keep eating even if I was full. I know that this program is a gift for me, if it wasn't for an article in the newspaper and there hasn't been one since, I would never have found you. I have gone up and down with my weight and my abstinence but I keep coming back, just finished doing my 12 steps again, I call my sponsors every day. I don't want to go back to the insanity of my last binge.

2) Give a summary of your O. A. service: In my time in OA my first position I was in charge of ordering literature, region rep, then IG Chair in Fla. Since then More IG chair, Vice Chair, WSO Delegate, Region rep, intergroup rep, convention chair, and things I can't even remember.

3) Explain why you would like to be a Region 5 officer: I want to offer service to the region because the region has given me so much. I have been a region rep in this region off and on for 25 years and I know that no matter how much service I give, it will never compare to what the region has given to me. I also hope that I have something to offer to the region that you can use.

4) Explain any skills or experience you would bring to the Region 5 board: I know a little bit about electronics, a sense of humor, I'm a woman with many skills and experience, I am willing to share it all for the sake of my recovery. Thank you for even giving me the opportunity to even apply for this position, I thought for a long time that I didn't have a lot to offer but now I know that if trust my HP I will have something to offer. My current abstinence is almost 8 years.

Responsibilities and Duties of Region 5 Officers are listed in the Policies and Procedures in Article II. By signing this applications, you certify that you meet the qualifications for Region 5 Officers can found in the Region 5 Bylaws, Article VI, Section A.
