

Bylaws Committee Report

The Bylaws committee will be meeting at the Summer Conference to discuss 2 possible amendments. We will draft motions to be presented to the Region at a time appointed by the Board.

Possible Amendments:

- We would like to insert language into the Policies and Procedures Article A, Section 2 pertaining to possible events when the assembly cannot meet in a single, physical location.
- We would like to amend Article H. Section 5 in the Policies and Procedures manual to appoint responsibilities of board liaisons with the Committee as a Whole sub-committees.

I trust this report will be acceptable as is written.

In service,
Kerry M
