

Hi All,

Well, I've been vice-chair for 4 months now and it hasn't killed me yet. It has been a little bit fun because I get to make new friends. Our current board makes things look easy and that is because they all work together as a team and support each other, it's awesome. I'm still in the learning stage and this is my first assembly as the vice-chair. I am looking forward to seeing you all and will let you know how it goes.

I have had the privilege of working with folks from Michigan area to host our meeting next month. The other thing we will be doing is looking for a new chair and treasurer, if you have any ideas, please bring them with you. See you in a couple of weeks.

Hugs,

Eileen
