

Vice Chair Report

As we approach our 2022 Spring Assembly, I'm excited to see all of the new representatives and those returning. How exciting to be carrying the message to those suffering in and out of the rooms. I feel honored to be a part of the process.

We want to thank both Kevin F. from Northwest Indiana Intergroup and Suzette from Three Rivers Intergroup in Indiana for hosting our Friday and Saturday evening OA meeting at the Assembly. Times are posted in Packet A which includes the agenda.

2022 Convention Committee

Our Chair and Co-Chair for the upcoming Chicago Region 5 Convention Kerry from TPI Turning Point Intergroup in Chicago and Preston F., who hails from CSSI, Chicago Suburban South Intergroup will be meeting Friday Night to continue with preparations and planning. All who want to participate are welcome to attend. Although the convention is meeting virtually this year, there is much planning and preparation to be done. Come join in the excitement.

Outreach Committee of the Whole

The Outreach Committees of the Whole are all going strong and you will be hearing exciting progress at the Assembly. We will be brainstorming ideas for future goals for region 5 on Saturday afternoon. Do we continue with our current subcommittee's? Have we met our goals? What goals do you have for the coming year that you feel are important for our Region to focus on? I encourage you all to think about this and come prepared to discuss your ideas. Please have with you two handouts S.M.A.R.T. Goal Guide and the Region 5 Outreach Committee of the Whole Subcommittee meeting report. We will discuss and fill them out.

"Together we can"
