Spring 2022 Report

Thank you all for your service to Region 5!

This packet includes the final financial data for 2021. Our final budget numbers showed that our income and expenditures equally matched with a slight excess of expenditures over income.

However, not to worry! We have an adequate prudent reserve to fund our 2022 budget and will maintain the prudent reserve at a level that will allow us to fund in-person meetings in the Fall and into 2023.

The Finance Committee will meet on Saturday morning of the Assembly and I hope that several of you will consider joining our Committee. We maintain the budget and prudent reserve as well as review the funds in our bank accounts. It's a job that can be as simple or as complex as you choose to make it.

Hopefully you will have a look at the information I have provided and bring your questions to the Assembly.

Your Trusted Servant,

Region 5 Treasurer,

Linda Post
