Media Committee Report
Wed, Feb 16, 2022

The Media Committee has entered a bottleneck on getting things done. We've had 4 submissions, including during the Fall Assembly, to date. Would it help to rename the "Blog" to make it more inviting? Do you go to the website to read any of the submissions? Are these articles what the Region 5 membership wants? If not, what do you want? Do we need to rename "Freedom from Bondage"? The dictionary meaning for bondage is slavery. In these times does it need to be changed? The word bondage is used in our OA 12 n 12, 2nd Edition and also in our daily readers: For Today and Voices of Recovery. Our website is being revised, so we are not doing "Web Checks" at this time. Any suggestions for our website are welcome. Also if you have any problems with it, please let us know.
