

Media Committee Report-Fall Assembly 2021 Packet B

Website checks are now scheduled to coincide with our R5 Assemblies: Spring and Fall, and Virtual Summer. If you ever have any issues with any of the Region 5 websites, please let us know.

We have received a few spam submissions through the “Freedom from Bondage” website. We are still asking for article submissions (See Attached Flyer). The Media Committee would like to thank everyone that has submitted an article. They are very much appreciated.
