

**Each One/Reach One Subcommittee  
Fall Assembly Report  
October 2020**

**Members:** Chair, Jo A, Preston F, Laurie M, Pam P, Kathy C, Darlene D, Karen B, Lesley N, Keri E, Shirley L, Paula K, Barbara E.

The Committee met twice since the Summer Assembly. There were several newcomers to the committee so a brief history of Each 1/Reach 1 needed to be provided. Previously the subcommittee sponsored events such as 12 Step Within, How to Share the Message (with doctors, strangers, family members, etc). The most recent activity was the Region-wide Plaster the Poster Party held during the weekend of July 11-12 in which it was reported that approximately 16 posters were hung throughout the region.

At the July Assembly, the group focused on how to attract young members to O.A. It is apparent that social media is what people are paying attention to, particularly as face-to-face meetings have been interrupted by the Covid 19 virus. After discussing several platforms (Facebook, Twitter, Zoom, etc.) the committee has decided that a Region 5 YouTube channel would be an excellent platform to share experience, strength and hope with newcomers and members of O.A.

Two members of the committee (Pam and Keri) have offered to investigate how to create the channel and will present a prototype to the committee at our October 11<sup>th</sup> meeting. It was noted that the Region 5 Board would need to approve this endeavor and that an administrator would need to be responsible should the channel be launched.

As my term as Region Representative from the Cleveland Central Intergroup will conclude in December, this will be my final Assembly (at least for now). It has been a true blessing to be able to know and work with all of you.

Jo Aslan, Chair, E1/R1 Subcommittee
