Treasurer's Report Fall 2024 Assembly

Thank you for letting me do the service of being your Region Treasurer for the last four years. During this time we went through the COVID pandemic, we learned the power of online meetings, and we had several years of contributions that exceeded spending.

This year we had our first in person Region Convention since 2019. We had an excellent turnout, great speakers, and wonderful entertainment. We exceeded our registration and income goals. We spent less than budgeted and still have some supplies that are being sent on to Milwaukee for the 2025 Convention. A successful event by all standards!

As usual I am attaching an updated budget statement as well as a detailed list of meetings that have sent us contributions this year.

I'm also including a draft budget for 2025. The Finance Committee will review this Saturday and make updates and changes as needed. If you have a comment or suggestion, please feel free to contact me.

We still need a new Treasurer for 2025 to 2027. I hope some of you will seriously consider this position. It's not terribly strenuous and offers an excellent opportunity to do service at the Region level.

Linda P.
